

SKYE TARTAN CRAFTS

Handmade designs in
genuine Isle of Skye tartan

Retail Trade Catalogue

WELCOME TO SKYE TARTAN CRAFTS!

My name is Ula Chapman, and I founded this small business in 2021. I'm based on the Black Isle, but have always loved Skye - I'm inspired by everything I see, from the dramatic scenery and ever-changing weather to the cute Highland coos and magnificent eagles.

I use genuine Isle of Skye tartan in my handmade artwork. The colours of the tartan depict the scenery of the Misty Isle, and my designs often remind people of happy memories holidaying in this special place.
